About

Kadi Sarva Vishwavidyalaya (KSV)

KSV is a university established vide Gujarat State Government Act 21, 2007 in May 2007. The university has been setup by Sarva Vidyalaya Kelavani Mandal (SVKM); a trust with over 100 years of philanthropic existence. The trust provides need based education by developing courses of contemporary relevance. KSV is a university of excellence promoting research based activities which would foster higher economic growth

K. B. Institute of Pharmaceutical Education and Research (KBIPER)

Vision: The institute intends to be the prominent public research and teaching institute in the field of pharmacy, linking the people of Gujarat to the nation and the world.

Mission: Through the scholarly pursuits of teaching, research and service, KBIPER is dedicated to create pharmacy professionals committed to lifelong learning, fostering excellence and innovations in research, developing and participating in professional practice and community outreach.

Established in 1995, KBIPER is first self-finance pharmacy institute of the state. Constituent college of KSV, The institute offers B. Pharm., M. Pharm., Pharm. D., Pharm. D. (PB), and PhD in Pharmaceutical Sciences. KBIPER is the first institute to start Pharm. D course in Gujarat in the year of 2009-2010. Institute has established the first Drug Information Centre in Gujarat. Since the inception, institute is notably progress in academic, research and social outreach. Concomitant accreditation by two accreditation agencies, NIRF ranking, GSIRF ranking, research lab and Instruments, Animal House, ethics committees, medicinal garden, museum, strong alumni witnesses credible glorious journey of Institute year after year.

About

Faculty Development Program

The Faculty Development Program (e-FDP) on "INNOVATION, LEARNING & RESEARCH IN PHARMACEUTICAL SCIENCES– TIME FOR TRANSFORMATION" is a program aimed at facilitating teachers in pharmaceutical sciences. It's all about helping them become better at what they do by encouraging new ideas, continuous learning, and research to bring about positive changes in how pharmaceutical education is delivered. Delve into topics such as advanced research paradigms, and impactful learning strategies by joining us in this intellectual journey, where we strive to catalyze a paradigm shift in pharmaceutical education, emphasizing the fusion of innovation, learning, and research.

Topic Highlight

Pharmaceutics and Product Development
Pharmaceutical Chemistry and Quality Assurance
Pharmacology and Toxicology
Pharmacy Practice and Pharmacovigilance
